ADAPT ACTION | A PROGRAM AFD GROUPE

PHASE 2 (2022-2025)

Strengthening populations' and ecosystems' resilience

A study and capacity-building programme

- **A multi-sectoral programme**
- **A laboratory for innovation**

Knowledge Management

Phase 2 will strengthen knowledge sharing and communities of practice, including through South-South and South-North workshops.

Gender and social inclusion

Gender and social inclusion are transversally integrated across the programme's 3 axes, with enhanced resources and a specific action plan.
