

FROM CLIMATE TO BIODIVERSITY REPORTING FOR FINANCIAL INSTITUTIONS

INTEGRATING NATURE INTO INVESTMENT STRATEGIES

Friday December 6th, 10.30-11.30 am

IDFC Pavilion

Building on the report presented at G7, a dialogue between a civil society organization, a private investment firm and a development bank on how steps being accomplished on climate-related reporting in finance can inform the way forward on biodiversity, ahead of COP15 CBD in Kunming, China.
