FICS – Finance in Common Summit + AFD – Agence Française de Développement AFD

2 November, 11:30 – 14:00

The Finance in Common Summit held in November 2020 gathered for the first time all public development banks (PDBs) in the world and their stakeholders. PDBs presented their roadmap to serve the Paris Agreement and SDGs agendas while responding to the covid-19 crisis.

A year later, in October 2021, PDBs will meet again at the second edition of the Finance in Common Summit, hosted by the Cassa Depositi e Prestiti in Roma. This new edition will offer the opportunity to report on progress made by PDBs and foster stronger dynamic ahead of COP26.

This side event aims to present the contribution from FICS 2 and the PDBs to the main issues to be delivered at COP26, and highlight the role that PDBs can play in bossing a sustainable recovery.

The organisers also invite to join the lunch reception following this side event.
