

Adapt'Action- Lessons Learned and Perspectives

AFD - Agence Française de Développement

8 November, 9:30 – 11:00

Since 2017, AFD's Adapt'Action Facility supports implementing the NDCs and speeding up adaptation investments in 15 Partner Countries and Regional Organisations. The session will convene the representatives of the 15 Adapt'Action Partners to share lessons learned. Perspectives will be brought by IDDRI's Global Adaptation Progress Tracker (GAP-Track) and by the announcement of a second phase of the project.

Speakers

- François-Xavier Duporge, AFD
- Christophe Buffet, AFD
- Mme Madeleine Rose Diouf Sarr, DEEC
- Shiv Seewoobaduth, Ministry of Environment
- Andre Magnan, IDDRI
