

Green Budgeting, Fiscal Incentives and Green Bonds

AFD - Agence Française de Développement, co-organized by IDB – Inter-American Development Bank

12 November, 16:00 – 17:30

This side event will debate various topics from tagging of public investments to issuing green bonds, such as how Ministries of Finance can be supported towards green fiscal transition, which fiscal incentives can be created and which tools can be implemented into the fiscal frameworks that incorporate environmental and climate dimension.
