

# The Role of DFIs in Mobilizing Resources to a Net-Zero Objective

**BNDES - Banco Nacional de Desenvolvimento Econômico e Social, co-organized by ABDE - Associação Brasileira de Desenvolvimento**

**10 November, 09:30 – 11:00**

How to finance transition to a low-emission economy and a new development model? Around the world Development Finance Institutions play a prominent and strategic role in this agenda. In addition to using their own resources, they are able to attract international resources already allocated to this purpose, either by partnering with multilateral organizations or fundraising instruments such as issuing sustainable bonds.

This side event discusses the role of a National Development System to mobilize and direct resources from different sources to reach a net-zero objective.
